## **Y** IMPORTANT ACCOUNT INFORMATION

 $Your\ Premium\ Membership\ Checking\ account\ is\ changing\ -\ welcome\ to\ Everyday\ Checking\ account\ account\$ 

We're updating our checking account options to better serve our customers and no longer offer Premium Membership Checking, so your account is changing to a similar checking option.

On July 22, 2024, your Premium Membership Checking will become an Everyday Checking account.

We think you'll appreciate all the benefits that come with an Everyday Checking account, but if you decide another account is best for you, you can easily switch to a different checking account. Go to wellsfargo.com/premiumtoeveryday and scroll down to find instructions for switching accounts.

Your day-to-day banking stays the same

Your account number, debit card, and checks will remain the same. Your automatic bill payments and direct deposits will continue without interruption, and you'll still be able to use online banking and the Wells Fargo Mobile® app\* as you do today. What's changing

Your current Premium Membership Checking account has a \$15 monthly service fee. When you switch to Everyday Checking, the monthly service fee will go down to \$10. Plus, you'll have new ways to avoid this fee, including a lower minimum daily balance requirement of \$500.

There is no monthly service fee charge if you meet any ONE of the following conditions during each fee period.\*\*

New - Make \$500 or more in total qualifying electronic deposits.\*\*\*

New - Maintain a \$500 minimum daily balance.

New - The primary account owner is 17-24 years old.\*\*\*\*

New - The account is linked to a Wells Fargo Campus ATM Card or Campus Debit Card.\*\*\*\*\*

New - A qualifying monthly non-civilian military direct deposit with the Wells Fargo Worldwide Military Banking program\*\*\*\*\*\* Please note that the monthly service fee can no longer be avoided by linking a Wells Fargo home mortgage.

We'll waive the monthly service fee for the first two fee periods after July 22, 2024, so you have extra time to make any adjustments, if needed, to avoid the fee. Otherwise, you don't need to take any action on your account, it will be updated automatically. Some additional changes to be aware of - discounts on checks, free money orders, and free cashier's checks will no longer be available.

Premium Membership Checking ATM and debit card fee waivers will no longer apply.

On July 22, 2024, you will no longer receive the ATM and debit card fee waivers that were applied with your Premium Membership Checking account. Your Everyday Checking account will be subject to the standard terms listed in the Consumer Account Fee and Information Schedule ("Consumer Schedule"), which includes the following ATM and debit card fees:

Non-Wells Fargo ATM Fees (Fees charged by non-Wells Fargo ATM operators or networks may also apply.)

- Cash withdrawal (U.S./U.S. territories): \$2.50 each
- Cash withdrawal (International): \$5.00 each
- Balance inquiry: \$2.50 each
- Funds transfer: \$2.50 each

International purchase transaction fee

- 3% of transaction amount

Non-Wells Fargo bank cash disbursement fee

- U.S./U.S. territories: \$3.00 per teller transaction
- International: 3% of transaction amount

Please review the Consumer Schedule, which can be found at wellsfargo.com/online-banking/consumer-account-fees.

New benefits available to you

You can receive new benefits if you link your Everyday Checking account to a Wells Fargo Campus ATM Card or Campus Debit Card.\*\*\*\* These benefits include:

- -No Wells Fargo fees for up to four cash withdrawals per monthly fee period from non-Wells Fargo ATMs in the U.S. Please note that fees may be charged by non-Wells Fargo ATM operators or networks.
- -No fee charged for one overdraft each fee period.\*\*\*\*\*\*\*
- -Courtesy refund of one incoming wire transfer fee each fee period.\*\*\*\*\*\*\*
- -No monthly service fee charged.

We're here to help you make the most of your relationship with us.

If you have any questions, want to make changes to your account, or would like to learn more about other checking account options, you can call us anytime at 1-877-924-9739.

- \*Availability may be affected by your mobile carrier's coverage area. Your mobile carrier's message and data rates may apply.
- \*\*Locating your fee period and Monthly Service Fee Summary information:

You can find the Monthly Service Fee Summary and the fee period dates used for your account:

- -On your statement in the Monthly Service Fee Summary section
- -Online in your account's Activity Summary section
- -On the mobile app in the Account Summary page under the Routing & Details section
- \*\*\*Qualifying electronic deposits:

A qualifying electronic deposit is a deposit of funds, such as your salary, government benefit payment, or other income, that has posted to your account and is (1) a direct deposit made through the Automated Clearing House (ACH) network, (2) an instant payment processed through the RTP® network (real-time payment system) or FedNow SM Service, or (3) an electronic credit from a third party service that facilitates payments to your debit card using the Visa® or Mastercard® network (e.g. an Original Credit Transaction). Transfers from one account to another, mobile deposits, Zelle®, or deposits made at a branch or ATM are not considered a qualifying electronic deposit.

\*\*\*\*Primary account ownership:

When there is more than one owner of an account, we identify a primary owner. The primary account owner is the owner whose Taxpayer Identification Number, such as a Social Security Number, is assigned to the account and who, therefore, has tax responsibility for the account. For select checking and savings accounts, when an individual primary account owner reaches the age of 25, age can no longer be used to avoid the monthly service fee. Depending on the type of account you have, there may be other ways to avoid the monthly service fee. If the primary owner of an existing Everyday Checking account changes, it may take up to 45 days after the change is made to avoid the monthly service fee based on age.

\*\*\*\*\*Wells Fargo Campus Card program benefits:

These benefits will take effect within 45 days following the linkage of your Campus Card to an Everyday Checking account. Benefits will end 60 days after your Campus Card is no longer linked, and the Bank's standard Everyday Checking account terms and fees apply. Wells Fargo Campus ATM and Campus Debit Cards are available for students, faculty and staff of colleges and universities that participate in the Wells Fargo Campus Card SM program.

\*\*\*\*\*\*Wells Fargo Worldwide Military Banking program:

You will receive your Worldwide Military Banking program benefits 45 days after your qualifying non-civilian military direct deposit is deposited into your eligible Wells Fargo checking account. For more information on the qualifying non-civilian military direct deposit, program qualifications and benefits, please visit wellsfargo.com/military/worldwide-military-banking or wellsfargo.com/depositdisclosures

\*\*\*\*\*\*\*Overdraft Fees:

Our overdraft fee for Consumer checking accounts is \$35 per item (whether the overdraft is by check, ATM withdrawal, debit card transaction, or other electronic means). We charge no more than three overdraft fees per business day. Overdraft fees are not applicable to Clear Access Banking accounts. The payment of transactions into overdraft is discretionary and we reserve the right not to pay. For example, we typically do not pay overdrafts if your account is overdrawn, or you have had excessive overdrafts. You must promptly bring your account to a positive balance.

\*\*\*\*\*\*\*Wire Transfer Fees:

In addition to any applicable fees, we make money when we convert one currency to another currency for you. The exchange rate used when we convert one currency to another is set at our sole discretion, and it includes a markup. The markup is designed to compensate us for several considerations including, without limitation, costs incurred, market risks, and our desired return. The applicable exchange rate does not include, and is separate from, any applicable fees. The exchange rate we provide to you may be different from exchange rates you see elsewhere. Different customers may receive different rates for transactions that are the same or similar, and the applicable exchange rate may be different for foreign currency cash, drafts, checks, or wire transfers. Foreign exchange markets are dynamic and rates fluctuate over time based on market conditions, liquidity, and risks. We're your arms-length counterparty on foreign exchange transactions. We may refuse to process any request for a foreign exchange transaction

Zelle® and the Zelle® related marks are wholly owned by Early Warning Services, LLC and are used herein under license. Please Note: The Consumer Account Fee and Information Schedule and Deposit Account Agreement, as amended, continue to apply.

Effective September 1, 2024, we are making changes to certain ATM and debit card fees.

- 1. We will no longer charge a fee for a balance inquiry at non-Wells Fargo ATMs. This \$2.50 fee is going away.
- 2. We will no longer charge a fee for a funds transfer at non-Wells Fargo ATMs. This \$2.50 fee is also going away.
- 3. The fee for a cash withdrawal transaction at non-Wells Fargo ATMs in the U.S. will increase from \$2.50 to \$3.00. U.S. includes the 50 states and the District of Columbia, as well as the U.S. territories of American Samoa, Guam, Northern Mariana Islands, Puerto Rico, U.S. Minor Outlying Islands, and U.S. Virgin Islands.

We base your account fees on the type of account you have and the services you use, so these fees may not be applicable to all customers. Other applicable fees for use of your card, and details about certain fee waivers and reimbursements, are described in the Wells Fargo Fee and Information Schedule applicable to your account.

NEW YORK CITY CUSTOMERS ONLY -- Pursuant to New York City regulations, we request that you contact us at 1-800-TO WELLS (1-800-869-3557) to share your language preference.

Effective June 1, 2024, the Classic and Premium Check Image Fee was eliminated for consumer checking accounts. For more information refer to the Consumer Account Fee and Information Schedule available at

This notice re-establishes that Wells Fargo has the right to conduct setoff for overdrawn deposit account balances, where applicable, and in accordance with your governing Deposit Account Agreement. When we exercise this right, we may reduce funds in any account you hold with us for purposes of paying the amount of the debt, either due or past due, that is owed to us as allowed by the laws governing your account. Our right of setoff won't apply if it would invalidate the tax-deferred status of any tax-deferred retirement account (e.g., a SEP or an IRA) you keep with us. To review a copy of your Deposit Account Agreement, including the provisions related to the right of setoff, please visit wellsfargo.com/online-banking/consumer-account-fees/ or wellsfargo.com/biz/fee-information/.
